South African Citrus Vessel Arrival & Supply in Korea

29 MAY 2025 / FUJI BAY

Celebrating the arrival of South African grapefruit and lemons

On 29 May 2025, AK FARM imported South African grapefruit and lemons aboard FUJI BAY and supplied them to the Korean market.

Official announcement from our overseas partner

aartsen announced that, together with Zest Fruit, it had organized the first conventional vessel of the season from South Africa to Korea. The post highlights the grapefruit and lemon shipment and includes photographs of the arrival celebration.
